Frequently Asked Questions (For New Applicants)

Q: How do I get a Blue Royale Medical Insurance Plan?

A: You can get in touch with our Sales Representatives through telephone number +63 2 8230-8511 or e-mail info@pacificcross.com.ph. Our Account Executives will be more than happy to answer your questions or give you a free presentation online or in person, whichever you prefer.

Q: How do I pay my Blue Royale Premium?

A: Pacific Cross offers you several convenient ways to pay your premium. You can pay in cash or credit, via our website's Web Payment, online banking or over-the-counter payments, either annually or semi-annually.

Q: Do I need to undergo a physical examination before I can get a Pacific Cross Insurance plan?

A: No, applicants normally do not need to undergo a physical exam. All you have to do is answer the application form and medical questionnaire as truthfully as possible. Failure to answer the questions in the declaration in full, concealment, or misrepresentation of any significant condition will affect your Policy and the payment of your claims.

Q: What is a Pre-Existing Condition?

A: A Pre-Existing Condition is any disability which existed before the commencement of cover as it presented signs or symptoms which you were aware or should reasonably have been aware of. Pre-Existing Conditions are also those that are known to you because you have felt its signs and symptoms regardless if this prompted you to seek for treatment, medication, advice, or diagnosis. When you answer our Medical Questionnaire, please ensure that you tell us about all your medical conditions and symptoms happening at any time in the past and/or present, known and/or suspected, whether or not treatment or professional advice was sought. Based on your provided details and submitted medical reports, declared pre-existing conditions may be covered immediately subject to the Company's underwriting guidelines.

Q: How soon can I avail of my Blue Royale Benefits?

A: You can avail of your Blue Royale Medical Benefits 30 days after the date shown on your Policy. However, you already have immediate coverage for accidental injury.

Q: How can Blue Royale take care of me when I am abroad?

A: In the event that you are hospitalized while abroad, our worldwide emergency assistance partner will be there to help you. Pacific Cross includes coverage for a maximum of 90 days abroad per trip. Coverage is extended beyond 90 days provided the reason for going abroad is not to seek medical treatment. The extension of stay overseas must also be due to an emergency illness or condition (leading to confinement) that arose on or before your 90th day abroad, for which the continued hospitalization will require you to stay abroad beyond 90 days.

Q: What does "90-day per trip coverage" mean?

A: This means that you can travel an unlimited number of trips outside the Philippines with insurance coverage provided that each trip does not exceed 90 days. Premium may change for overseas stay of more than 90 days.

Q: Can I renew my Policy?

A: Your contract is guaranteed renewable up to age 100. However, we reserve the right to adjust your premium and other Policy conditions upon written advice 45 days prior to each renewal.

Q: What are the exclusions for conditions that cannot be covered by this policy?

A: Certain conditions are generally excluded from being covered such as the following:

- Cosmetic surgery or related complications, contact lenses, hearing aids and prescriptions thereof, except those that may be required for reconstructive surgery
- Suicide, attempted suicide, or intentional self-inflicted injury
- Pre-Existing Conditions unless such have been declared and approved by the Company
- Sexually Transmitted Diseases (STDs)
- All contraceptive methods of birth control; screening and/or treatment pertaining to infertility
