Some things all applicants should know:

As with all insurance, there are some important points you should know before entering into a contract. In this section, we identify some key Policy provisions.

1. Your coverage begins 30 days after the date shown on your Policy. However, you already have immediate coverage for accidental injury.
2. A Pre-Existing Condition is any disability which existed before the commencement of cover as it presented signs or symptoms which you were aware or should reasonably have been aware of. Pre-Existing Conditions are also those that are known to you because you have felt its signs and symptoms regardless if this prompted you to seek for treatment, medication, advice, or diagnosis. When you answer our Medical Questionnaire, please ensure that you tell us about all your medical conditions and symptoms happening at any time in the past and/or present, known and/or suspected, whether or not treatment or professional advice was sought. Based on your provided details and submitted medical reports, declared pre-existing conditions may be covered immediately subject to the Company's underwriting guidelines.
3. While your Policy is issued in the Philippines, it can provide Emergency Coverage when you are overseas. The maximum period of cover should not exceed more than 30 days per trip during the Policy year.
4. Certain conditions are generally excluded from being covered such as the following:
 - Congenital conditions, birth defect and abnormalities
 - Durable medical equipment, grafts, prosthetic devices and corrective devices other than artificial limbs
 - Cosmetic surgery or related complications, contact lenses, hearing aids and prescriptions thereof, except those that may be required for reconstructive surgery due to or as a result of an accident
 - Suicide, attempted suicide or intentional self-inflicted injury
 - Pre-Existing Conditions unless such have been declared and approved by the Company
 - Sexually Transmitted Diseases (STDs)
 - All contraceptive methods of birth control; or screening and/or treatment pertaining to infertility
 - Childbirth and any form of delivery; miscarriage and abortion, including their complications and nursing care for the newborn
5. Your contract is guaranteed renewable up to age 100. However, we reserve the right to adjust your premium and other Policy conditions upon written advice 45 days prior to each renewal.
6. Your contract contains a provision on the Insured Person's right to Free-Look Period.
7. For full details, please refer to the Policy.
